

Dear Local Vendor,

Grainger County Parks and Recreation is extremely excited to announce that we are again hosting our Grainger County Parks & Recreation Fall Festival!

The all-day festival will be held at Grainger County Park on Saturday, October 1, 2022 and FREE to all visitors! Various types of music will flow through the festival from an outdoor stage. We plan to bring the best in country, bluegrass, and gospel music for a free to the public concert.

To kick off the festival this year, on September 30, 2022 we will host a Grainger's Got Talent (GGT) entertainment event for Grainger County entertainers. This is something you don't want to miss!!!!

Also, throughout the day on Saturday, various activities such as a walk-a-thon, beauty pageant, cross country biking and open mic will be scheduled along with the opportunity to purchase food, drinks, and snacks for the family. Train rides, bounce house, and obstacle course activities will also be provided for children. The festival will end with a fireworks finale!

What an awesome way to bring a large group of people together. We would like to extend the opportunity for you and your business to become a part of this wonderful event! We plan to use a section of park grounds just for local vendors that would like the opportunity to rent space for setting up a booth in order to sell their merchandise.

12X16 booth(s) at \$40.00 each with a maximum of 2 booths per vendor are available at this time. Space is limited so we will be reserving on a first come first serve basis. Please contact us immediately with any questions you may have prior to reserving your booth.

Included in this information is a vendor application that will need to be completed when reserving space for a booth. Once your application is reviewed, you will be notified of the acceptance and payment methods. All payments must be made in advance.

Sincerely,

Stacie Defrees, Director
Grainger County Parks & Recreation
